Dear Todd,

I am writing to express my thanks for the fine work your firm did on the depreciation project regarding my commercial real estate holdings.

You wasted no time in launching into the project and you always responded quickly and succinctly to any questions or concerns I communicated by phone or through email. The overall results of this project and the level of service provided by you and your colleagues far exceeded my expectations.

Please feel free to include me on your list of references. I will always give The Concorde Group, LLC the highest recommendation.

Best Regards,

Anthony M. Fernicola
